It is a non competitive , scenic tour for Midgets , Sprites, & Derivatives only, through France, Switzerland, and Italy incorporating visits to museums, a motor race weekend, and tourist related venues en route. A similar, but professionally run event, recently quoted an entrance fee in excess of £2000, with hotels an extra £1500, with ferry and fuel still to pay whereas in 2009 this event was estimated to cost £700, based on two sharing, all inc. See January Mascot for advert containing more details or contact me.
