

## SUNDAY 30 MAY

**The 2010 Haslemere Classic Car show and tour promises to be bigger and better this year. Bring your pre-1973 classic vehicle along and join in the fun.**

The day will be in two parts, a tour will start from Lion Green at 10am and follow a relaxed drive through the beautiful surrounding countryside taking in some local points of interest - including a special visit (a different route to 2009). The tour will arrive back at Lion Green at approximately 1pm where you will be parked up for the show. You are free to choose to do the tour, show or both.

The first event last year had over 80 cars on the green, from a tiny Subaru 360 to a Rolls-Royce Silver Ghost, Mini's to Bentleys and everything in-between. We hope to significantly improve on this in 2010 with several car clubs intending to make it a club event. There will be stalls of local produce and crafts, food and a licensed bar, so something for all the family to enjoy.

The tour will cost £10 for the driver and £5 per additional adult to include the route, private visit, breakfast rolls and hot drink at the start, a tour plaque and a charity donation. As numbers for the tour will be limited, please enter early. The show is free. Please contact us if you are interested in a stall or club stand.
